

Date:

Dear Public Representative,

I am contacting you to register my protest against the downgrading of services announced on the 3<sup>rd</sup> of September 2009 at Louth County Hospital. I wish to strongly protest at this proposal and wish to ask that you do everything in your capacity as an elected representative to prevent this action from proceeding.

I value my hospital service and if you value my vote then you will listen to the will of the people of Dundalk to reject this proposal on my behalf.

Yours sincerely

---
